

## The Federation of Pakistan Chambers of Commerce & Industry

وفاق ایوان ہمائے تجارت و صنعت - پاکستان

### PRESS RELEASE

#### FPCCI body to meet Humayun to settle dispute

Lahore (P.R): The federation of chambers of commerce and industrial (FPCCI) has announced that its representatives high-level committee will meet commerce Minister Humayun Akhtar Khan to find amicable solution to the trade organization ordinance (TOO) 2006.

The FPCCI made this announcement after a meeting of the consultative committee on TOO 2006 held at the FPCCI zonal office in Saturday. Committee Chairman Azhar Saeed Butt presided over the meeting. FPCCI President Tanveer Skaikh, Businessmen Panel Chairman Tariq Sayeed, CO-Chairman Iftikhar Ali Malik and other leaders of the group attended the meeting.

A handout issued by the FPCCI after the meeting, said the commerce minister was doing great job to the country's exports to the new height and the FPCCI will supplement his efforts to the country's high international trade by sorting out the TOO 2006 controversy through talk.

It said the FPCCI being the representative forum of the traders and industrialist always prefer the national interest over all other issues, and it will take keep on doing so by extending co-operation to the commerce ministry and his team in TOO 2006.

According to the announcement Tariq Sayeed briefed the participants of the consultative committee on the progress made on TOO 2006 and the future strategy of solving the issue through talks. He said the traders associations and chambers fully support the commerce minister's initiatives trade development and earn more and more foreign exchange through enhanced exports. The meeting fully supported the idea of resolving the issue through talks.
